Legislative Council Divisions

The Legislative Council Divisions data set contains boundaries of the 15 Electoral divisions for the Legislative Council (Upper House) within the State of Tasmania.

The boundaries of the current divisions were determined by the Legislative Council Redistribution Tribunal on 10 May 2008.

When this dataset was created in May 2008, boundaries were aligned to the cadastre where appropriate, however over time, due to spatial upgrading of the cadastre some misalignments will develop over time.
